Dear Endeavorers of the World,

Greetings in the name of Christian Endeavor in South Korea and the officials of the World's Christian Endeavor Union. We invite the Christian Endeavorers from all the countries to attend the 27th World's Christian Endeavor Convention, to be held in **South Korea, Welli hilli Park, 23-26. July, 2014.**

The convention theme will be **Wake the World - Rise up and do it.** The program will include inspirational meetings challenging us all to wake the world, serving God through Fellowship, Mission, and Worship. Bible Studies, Workshops, Music, Testimonies from each CE country and sharing fellowship with the world's delegates will unite us in the CE Movement.

The Korean Christian Endeavor Union gladly looks forward to host the quadrennial international CE meeting in the name of our Lord, preparing together for this occasion with the WCEU Convention Program Committee.

The World CE Officers call upon all Christian Endeavorers in the world to unite with us in prayer for the success of this gathering. Please pray (for):

- the cooperation between the Korean Organizing Committee and the WCEU Convention Program Committee
- that God would enable and empower all the speakers and worship leaders with messages that touch participants' hearts
- the Council Meeting and election of the WCEU officers
- blessings through fellowship with each other during the convention
- that the convention causes 'awakening' activities around the world
